

Equipment Name:	X-ray diffractometer (XRD)
Inventory Number:	
Type of Equipment:	Research and teaching equipment
Location:	Physics department
Access:	Internally/Commercially
	
Technical Characteristics:	Model: Bruker D8 Advance Maximum voltage 40 kV Maximum current 40 mA
Year of Manufacture:	2022
Services:	Structural analysis
Working Hours:	8-16 h
Contact:	Assistant professor Amra Salčinović Fetić 033 279 957 amra.s@pmf.unsa.ba
